Workshop Objectives

Crop insurance agents, agricultural lenders, marketing consultants, agricultural educators and other risk management service providers will help their clients make more profitable risk management decisions. Farmers and ranchers will apply the information to their management decisions.

Who Should Attend

Professionals, including growers/ranchers, who wish to enhance their knowledge of risk management and their ability to design an appropriate risk management plan for the farm/ranch or provide risk management advice to clients. These include:

Crop Insurance Agents	Farmers/Ranchers
Lenders	Commodity Brokers
Professional Farm Managers	Crop Consultants
Grain Merchandisers	Financial Advisers

Insurance Continuing Education Credits

Continuing Education Credits have been applied for in the following states:

Colorado, Iowa, Kansas, Nebraska & South Dakota
